 seamless AFO socks

wider, deeper heel box

- hides additional depth; ensures a precision fit with custom orthoses and AFOs

adjustable depth

- inner soles of 3 varying thicknesses allows for easier internal adjustments for discrepancies in leg lengths and accommodations for AFOs

high abrasion resistant

- rubber toe cap and reinforced triple stitching ensures greater durability for the demands of children wearing AFOs and the stresses of various gait patterns
- wider, deeper toe box

distinctive sole

- wider tread design increases direct surface contact and promotes greater medial/lateral stability
- extra high abrasion resistant rubber

Additional Features & Benefits

Ankle-to-toe lacing provides wider opening for easier foot insertion.

Speed lacing with locking eyelets promotes one-handed pull lacing; and locks laces in place for easier tying.

Geometrically-graded last ensures a precise fit with accurately sized shoe.

Unique mid-sole is a compression-molded EVA shell with a visible cut-line designed to facilitate the modification and build-up process.

Fray-resistant lining is longer lasting and withstands the wear of AFO use.

Sizes Toddler through adult.
