seamless
 AFO & KAFO socks

distinctive
 sole

- wider tread design increases direct surface contact and promotes greater medial/lateral stability
- extra high abrasion resistant rubber

wider,
 deeper
 heel box

- hides additional depth; ensures a precision fit with custom orthoses and AFOs

adjustable
 depth

- inner soles of 3 varying thicknesses allows for easier internal adjustments for discrepancies in leg lengths and accommodations for AFOs

high
 abrasion
 resistant

- rubber toe cap and reinforced double stitching ensures greater durability for the demands of children wearing AFOs and the stresses of various gait patterns
- wider, deeper toe box

Additional Features & Benefits

Ankle-to-toe-lacing provides wider opening for easier foot insertion.

Speed lacing with locking eyelets promotes one-handed pull lacing and locks laces in place for easier tying.

Geometrically-graded last ensures a precise fit with accurately sized shoe.

Unique mid-sole is a compression-molded EVA shell with a visible cut-line designed to facilitate the modification and build-up process.

Fray-resistant lining is longer lasting and withstands the wear of AFO use.

Sizes toddler through adult.
